Even if the sun shines
bright, and despite all the
laughter and happiness
in people's voices .

The only things I
can hear are the *roars*,
the *execrations*, and the
horrible screams—

You knew it was going to be difficult. You even risked being suspected of the crime

So, why did you still choose to come to the police?

#8. Memory

I was at a loss when
I decided that I wanted to
catch the criminal...

When I looked
at the news, I saw
the story about the
investigation team

I thought that
I might be able to get
the information that
I needed

...if I find the
right person

You said that you
were going to help in
the investigation.

If you lay down the
evidence, and follow it
until the end,

you will find
the criminal, no
matter what

Sometimes, you will
encounter errors in the
process, so the first
investigation fails..

The problem is
when the evidence
do not connect with
each other..

Like this case

If your powers
are real...

We may be able to
find the missing link

touch

But then we have another problem.

There is still the process of finding out where the evidence came from, and of proving its authenticity.

That's when we can utilize the government's power.

We can manage
to solve the case by being
selfish... use our connections,
pull some strings, and bend
the rules, but

In doing that, there might be
a lot of consequences

Will you be able
to handle that?

If it were me from
some time ago, I wouldn't
have considered it

I roughly know what's
inside that box... but I've
never tried to open it.

I am scared of
the 'DARKEST' inside

I should have never
come into this world

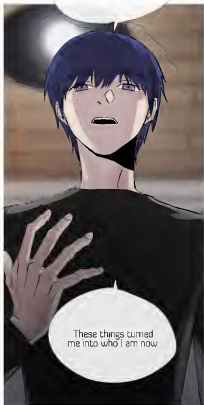

pause //

I hated my power.

The voices that never
end ... Somebody else's
past, I never wanted
to find out about.

Sometimes I hated myself
for using this power

These things turned
me into who I am now

But, I desperately
thought that there must be
a reason behind all this. . That,
with this power, there must be
something that I can do..

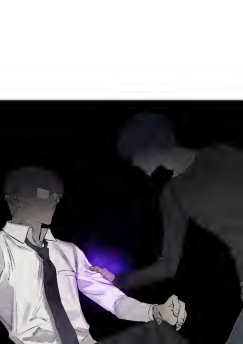

...for somebody

GRAB

Wha—?

KIING

KIING

*In the 'darkness' inside of you,
Prosecutor...*

A child is burning.

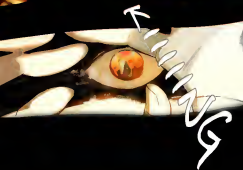

A red fire is swallowing him.

*The smell of soot....
The sound of screams...*

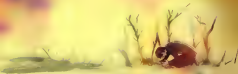

*It's really painful to hear
a woman wailing...*

*Like the old tree in the
desert is broken by the wind....
You are in pain*

*For how long are
you going to lock them
inside your memory?*

*You have to get away....
Get away from there.*

I couldn't shake off
his hold over me

It wasn't
because of physical
strength .

But it was like he
got hold of something
in my heart .

He saw it all.

You told
me that this curse
could be a 'gift'

I don't want more
victims.

I don't want
anyone to be in
pain for his past.
